Hi Sondra:
Would you make a PDF of this email and add it plus the attachment to the URA website? This is not urgent.
Thanks,
Ralph

> As a reminder, new closures at the Apres Ski Way/Village Drive intersection depicted in the attached photo are in effect beginning today. First, traffic will flow in both directions in one lane on the northern leg serving Snowflower, Dulany and One Steamboat Place while the other lane will be closed. Second, the eastern leg of Apres Ski Way from the intersection to the Mountain Sneak Trail will be closed to all traffic for the duration of the project.
