The applicant may request a waiver from certain submittal requirements. The director may waive such requirements where he/she finds that the project size, complexity, anticipated impacts and other factors associated with the proposed development clearly support such waiver.

As the applicant, I understand that all required materials must be submitted prior to review, and the Sign Permit application approved in writing by the Department of Planning and Community Development prior to the installation of any signage. The department accepts no responsibility for any signage that has been constructed prior to approval, which does not comply with the allowable dimensional standards, criteria for approval, applicable Master Sign Plan, or any requirements set forth in the Community Development Code.

Signature and printed name of Business Owner/Applicant **Date**

Signature and printed name of Property Owner (required) **Date**
