City Hall announces new hours of operation!

Starting Monday, March 30, 2009, City Hall and Centennial Hall will be open from 7:30am - 5:30pm Monday - Thursday and closed on Fridays.

Due to the economic climate we are in and in an effort to manage the City's expenses, furloughs have been instituted for City staff. After numerous meetings to arrive at the best way to implement the furloughs for City Hall and Centennial Hall employees and with the least amount of inconvenience to our customers, we have decided to close on Fridays. It is our hope that you, our customers, will appreciate and understand these cost saving measures. By extending the hours Monday through Thursday, you will now have the option of stopping by to do business either on your way to work or on your way home and, perhaps, free up your lunch hour to do other things.
