1. Proposed changes to Chapter 2 of the Revised Municipal Code

Chapter 2 is section of the Revised Municipal Code that establishes administrative procedural rules for the City, including local open meetings rules, Council procedures, City Manager contracting authority, and organizational structure of the City. Some of these provisions are not consistent with current City practice, conflict with state law, or are otherwise in need of revision.

Staff proposes to revise the departmental organization provisions, the delegation of contracting authority to the City Manager, local open meetings rules, and procedures for handling resolutions. Staff requests direction to prepare an ordinance addressing these issues and bringing it to City Council.
