- **Administrative Business**
  - August 11th Minutes – APPROVED (3-0) Zach not present on 8/11
  - Rates spreadsheet will be sent out for everyone to review
    - Rate subcommittee will present the rate recommendations at the October 13<sup>th</sup> meeting
    - Survey from last year will be sent out for everyone to review to add any questions and then will be sent out in October.
- **Food & Beverage – Abbey Taylor**
  - Contract is up in March 2022 – Ally will follow up to see where to start the process and if an RFP needs to go out.
  - Closed early last Thursday at 5pm due to the rain.
  - Saturday night Prime Rib was super popular.
  - Ready for Steamboat Hockey Classic on Friday.
  - Will be sending out a contract to Brigetta soon to finalize the winter operation.
- **Head Golf Professional – Cody Hasten**
  - Foster Cup was really successful, committee asked if it could be expanded to women in the future.
  - Hockey Classic – getting final number today for the group
    - Have tee gifts including balls and water bottles
    - City Championship and Fall Classic are open for registration now
  - Cody will put together Pros and Cons of having tee times for local golfers vs. having large events that take over the course and work on that with the Rates subcommittee.
  - Cody is playing in a Callaway Tournament Tuesday and Wednesday
  - Pro shop is short staffed as some staff work through quarantining and testing for COVID.
  - Cody is going to create a group of locals for a committee to discuss tee time availability for next year in October. Cody may have a Golf Committee member join the conversation.
- **Superintendent Update – Adam Sando**
  - Adam emailed Luke from Catamount that the City had an Ordinance that council approved that Haymaker would not pay for any Capital costs on the Catamount pipeline. Adam was instructed not to proceed by the City Attorney's office. Adam will continue talking and working with Luke.

- Rain and fall fertilizer have made a huge difference
- Verticutting greens yesterday and today
- Getting ready for the Friday tournament
- Applying an herbicide to fight some “mouse ear chick weed”.
- Chemical storage building should be delivered September 13<sup>th</sup>.
  - Adam may need to build another building over the chemical building for snow load.
- Deep tine is already booked with Rollingstone Ranch so Adam will try to book them into
- Working with someone to build some steel targets for the range with the Haymaker logo.
- Adam brought up installing a fence for the driving range to protect the maintenance area.
  - Future plans currently include:
    - Angling the range so they are aiming towards the center
    - Building the berm up much higher
    - Adding targets for golfers to aim at
- **Finance**
  - Budget meeting was last week and went really well.
