

SST Regional Service Benefits Craig Residents Locally

Regional Bus Makes Six Loops Around City of Craig Throughout Day

STEAMBOAT SPRINGS, COLORADO-December 10, 2019-With the expanded service to the SST regional service, Craig residents are not only enjoying the benefits of regional travel but can also travel locally on the regional system.

“You don’t have to ride regionally to enjoy the benefits of the regional service,” commented Transit Manager Jonathan Flint. “The regional bus makes six loops around Craig which residents can utilize for convenient local travel if they are commuting within the city.”

The SST regional bus makes six counter clockwise loops around the city including some new mid-day trips during business hours before heading toward Steamboat Springs. The Craig stops and departure times are listed in the table below.

“I can imagine folks may not have even considered the regional bus as a local option,” continued Flint. “But with the increased service, it just might be one that many folks looking to get around Craig for an affordable cost can enjoy.”

Residents can catch the bus in Craig at any of the listed fifteen stops and travel for \$1 within the Craig segment of the city loop. With the proper identification, students ride for half price and seniors (65+) ride FREE. Punch cards, which never expire, are available for \$40.00 and provide \$60.00 worth of rides.
