

# City 101

Employees from across the city organization along with members of the community will learn more about the city and its operations through field trips, forums, and interactive activities. Started in 2015, City 101 is an in-depth insight into city operations with the goals to:

- Create a shared understanding of the City’s mission and purpose
- Increase community and employee understanding of the city and all of its operations.
- Enhance community member and employee ability to serve as an ambassador for the city.

City 101 will take place between December and May –see the schedule below. Lunch is provided. City 101 is open to all members of the community and city employees. For city employees, City 101 counts as hours worked. Interested individuals submit an application to the program. Members of the City 101 will be selected by the Management Team. **Applications are due November 3, 2021.**
