

# SSPD Parking Protocols

- How to efficiently park vehicles (1)
- Safety and Traffic Considerations(2-3)
- Parking Etiquette (4-5)
- Specific Parks (6-9)

# How to efficiently park vehicles

- Park vehicles from rear to front of the parking lot.
- Stay in straight rows
- Do not block exits
- Ensure emergency vehicles can navigate parking lot
- Vehicles must be in-between two yellow lines unless authorized
  - No parking on grass, unless authorized.

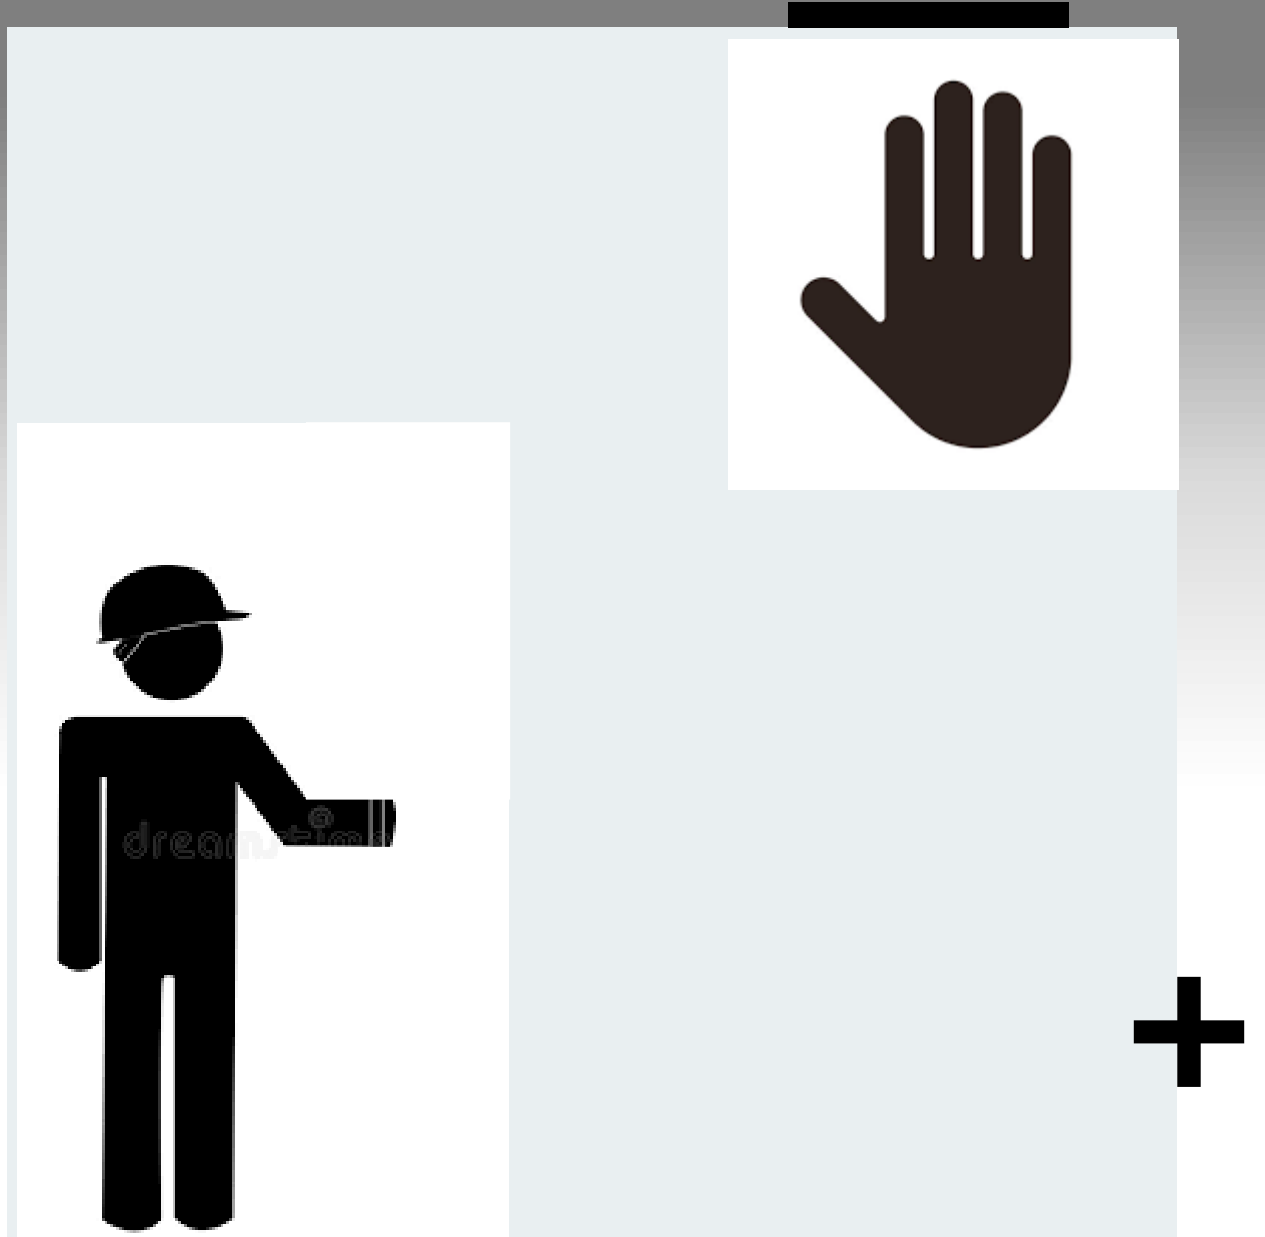

# Safety Considerations

- Wear high visibility clothes/vests
- Ensure you are identifiable as event staff
- **Avoid confrontation**
- Do not put yourself in front of a moving vehicle

# Traffic Control Considerations

- Use big hand gestures
  - Use a full arm
- Use clear hand gestures
- Give clear directions
- Do not yell at vehicles

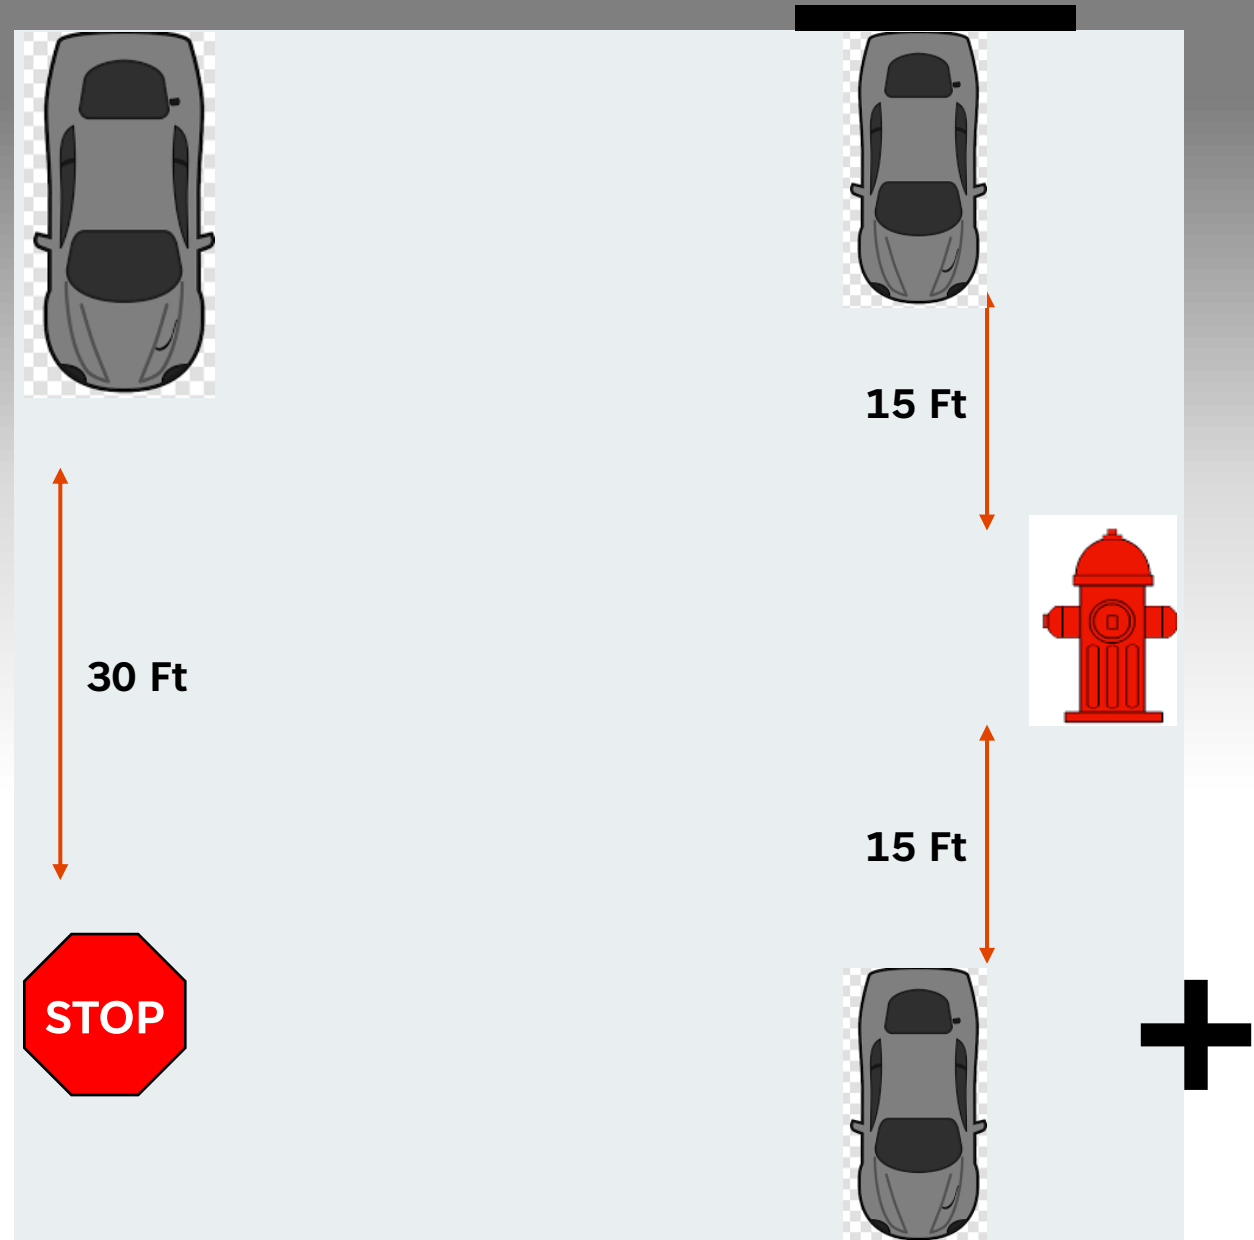

# Parking Etiquette and Considerations
