

Noise Variance Permit Application

If you would like to request a specific activity or event that will generate noise outside of the sound limits specified in [Noise Pollution](#) in the City of Steamboat Springs Municipal Code, you may apply for a noise variance permit.

Please submit a complete Noise Variance Permit Application to City Hall, P.O. Box 775088, Steamboat Springs, CO, drop off at 137 10th Street, Steamboat Springs, CO or [email](#) the City Manager, Gary Suiter. Submission of an application does not guarantee approval.

Applicant Name: _____

Organization/Business: _____

Phone Number: _____

Email: _____

Date(s) Requested: _____

Specify location of activity or event: _____

Please describe the reason that the Code's standards present an undue hardship and the nature and extent of the variance from the noise levels designated in the [Municipal Code](#).

Please identify the sound source and anticipated decibel levels and the time of day and duration of the requested variance permit.

Please provide an estimate of the noise level of the proposed activity at four locations evenly distributed around the property line of the requested location. Specific and/or additional locations may be requested by the city.

NOTIFICATION: Public notice of the application must be provided for surrounding property owners.
Notice to owners of property in multi-family buildings may be given to the homeowner's association.
