

## SSFR Accepting Applications For Five New Positions

*Firefighter/EMT/Paramedic Slots Available With Salary Ranging from \$63K-\$100K*

**STEAMBOAT SPRINGS, COLORADO-March 7, 2023**-Do you have burning desire to make a difference in your community? Ready to take advantage of a hot new job prospect? Want to be part of a team environment? Then this is the opportunity for you as Steamboat Springs Fire Rescue (SSFR) is now accepting applications for Firefighter/EMT/Paramedic positions.

“Interested candidates would need to respond quickly as the deadline to apply is noon on Monday, March 20,” said Captain Joe Oakland. “Put your talents and skills to work and be part of a team that makes a difference in people’s lives on a daily basis.”

These positions will operate under the direction of the Shift Captain or Lieutenant and are expected to perform daily fire operations involving fire suppression, emergency medical services, rescue operations, hazardous materials operations, fire prevention & public education, safety inspections, equipment & facility maintenance, and other duties as assigned.

Interested candidates must meet minimum requirements and additional information can be found at [steamboatsprings.net/SSFRjobs](http://steamboatsprings.net/SSFRjobs). SSFR and the city offer excellent benefits and competitive pay with the salary range running from \$63,700 to \$100,861.

The selection process will consist of the following: formal application, interview, written exam, physical ability test, psychological evaluation, background check and firefighter fitness evaluation and health screening.

“No day is ever the same and you are constantly challenged with something unique on each call that tests your and the department’s abilities,” continued Oakland. “

SSFR is a department of the City of Steamboat Springs with an intergovernmental agreement with the Steamboat Springs Area Fire Protection District to provide emergency services within the district. Staffed by three shifts which provide emergency coverage 24 hours a day, 365 days a year, the combined fire district is approximately 385 square miles including the 10 square miles that make up the city.
