

Planning Applications

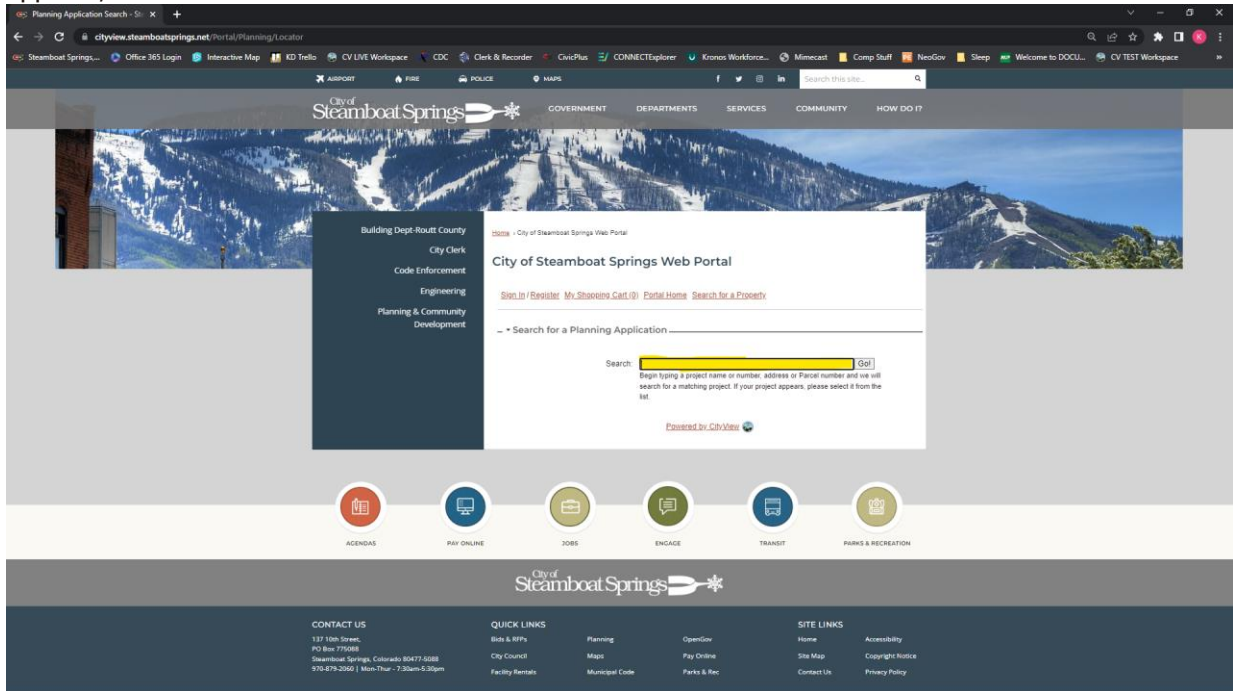

How To: Find More Information About a Planning Application

Use this document if you received a notification in the mail, saw a yellow 'Public Notice' sign, or want more information about a particular planning application.

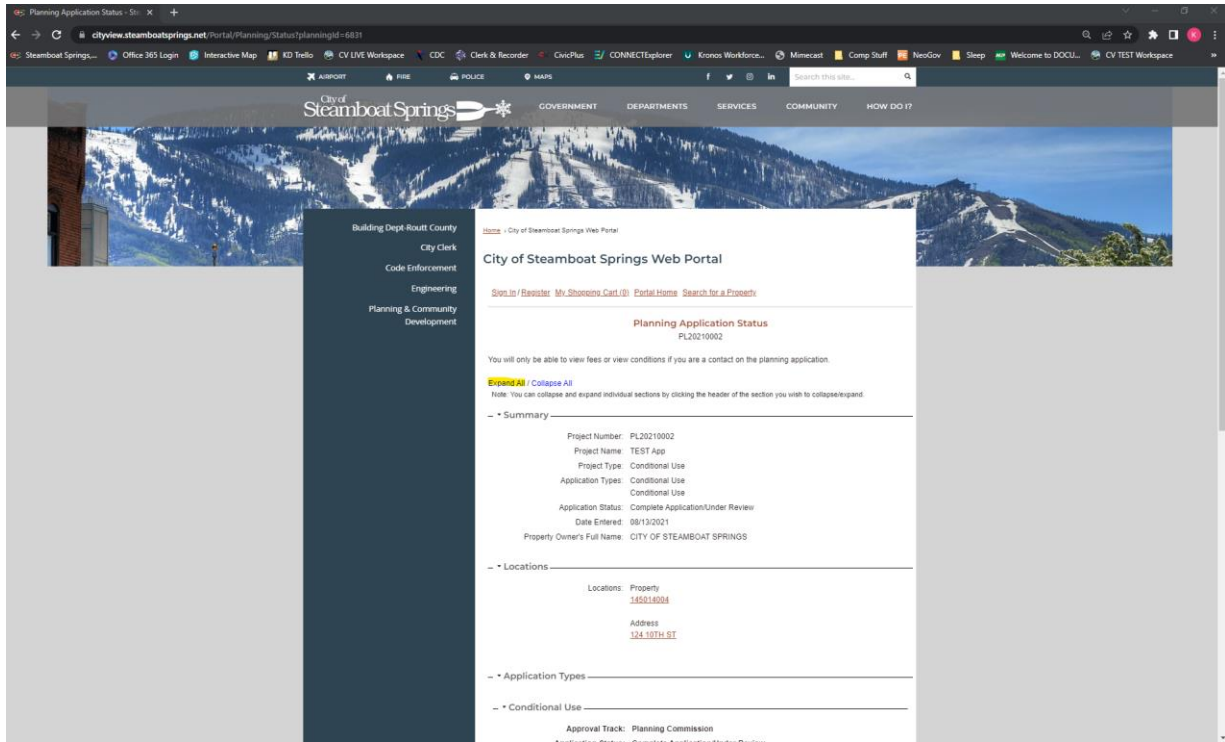

1. Sign in to Portal: <https://cityview.steamboatsprings.net/Portal/>. Scroll to 'Planning Applications' and click 'Application Search'.

2. Begin typing an application name or number, address, or PIN. If the application you are searching for appears, select it from the list.

3. Click 'Expand All' to see the details of an application.

Summary – Basic information about the application

Locations – Where the proposal is located

Application Type – Status of the project and decision maker

Hearings – If a hearing or hearings are scheduled, the dates will be reflected here

Documents & Images – See all documents associated with the application including applicant materials, staff comments and more
