

Lighting Plan - Planning Applications

For Planning Applications that require a Lighting Plan, include the following, and any information necessary to demonstrate how applicable standards are met. This is not an exhaustive list, and additional items may be required.

Plan Elements

- Building Footprints
- Site Improvements. Include existing and proposed streets, parking areas, sidewalks, trails
- Location of Light Fixtures
- Height of Light Fixtures
- Type of Light Fixtures. Include cut sheets or manufacturer spec information
- Photometrics. Include information about the spread of light
