

608 Yampa Street Project Brings Weeklong Street Closures

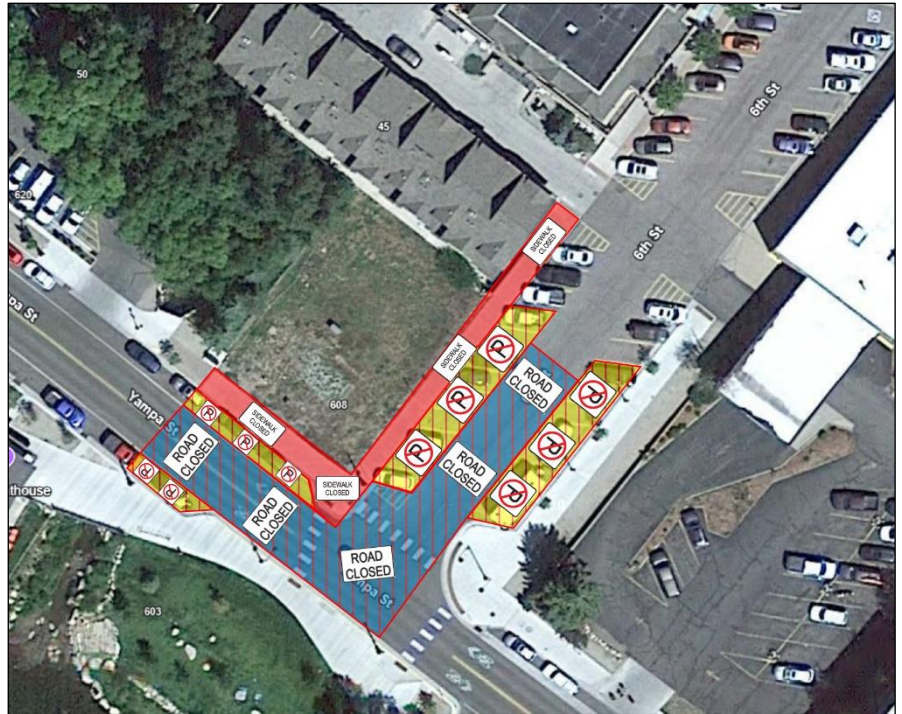

Detour Route Guides Traffic And Pedestrians Around Impacted Area

STEAMBOAT SPRINGS, COLORADO-July 24, 2025-The intersection of 6th Street and Yampa Street will be fully closed to vehicle traffic from Monday, July 28 through Friday, August 1 due to private construction at 608 Yampa Street.

“This isn’t a city project, but we want to keep the community informed so they can plan ahead,” said City Staff Engineer Adan Camano.

Detour signs will be posted to guide traffic and pedestrians around the closure. Sidewalks and parking in the area will also be impacted. Please follow all posted signage to ensure safety for yourself and construction crews.

The work supports a new three-story residential/commercial building with underground parking being constructed at 608 Yampa Street.

The project is being managed by Mark Merline, Director of Operations at Diverge Homes, who can be reached via [email](#). City of Steamboat Springs Staff Engineer Adan Camano can also be contacted should the public encounter issues.
